## EDUCATION

### Bachelor of Technology, Computer Science

Graduating 09/2020 - 06/2024

Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal

8.28 CGPA

Acropolis Institute of Technology Research, Indore

Relevant coursework: Data Structures and Algorithms

## TECHNICAL SKILLS

**Tech Stack:** C++, React, Restful Api, Json, JavaScript, OOPs, and WordPress.

**Design and Modeling Tools:** Git, GitHub, Visual Studio Code

**Programming:** C++, JavaScript

**Certifications:** CISCO AICTE Virtual Internship Program [2023], Certified in Salesforce Administrator [2023] and EDX Certified Introduction to Web Development WithHTML, CSS and JS [2023]

## PROFESSIONAL EXPERIENCE

### QUALITY WEBS LLC, ONSITE: WEB DEVELOPER

06/2024 - 10/2024

I completed a web development internship where I actively worked on live projects using React and WordPress. My responsibilities included designing and developing user-friendly websites, customizing themes to meet specific requirements, implementing various plugins to enhance functionality, and integrating dynamic features through restful Api.

## ACADEMIC PROJECTS

### Bookenza Application

02/2023 - 06/2023

Collaborated in a team of four to design model Bookenza application

- Bookenza: Developed a dynamic MERN stack web application, designed to facilitate the buying, selling, and renting of academic materials.
- It allows users to sell or rent their used study materials, such as reference books, educational tools, and handwritten notes, while also enabling others to discover and acquire these resources.

### Sentiment Analysis

08/2023 - 12/2023

Collaborated in team to designing and developing a sentiment model for enhanced analysis.

- Conducted sentiment analysis on large-scale text data using natural language processing techniques; accurately classified sentiment as positive, negative, or neutral with an 85% accuracy rate
- Led the overhaul of interface design, playing a pivotal role in elevating user experience; implemented strategic design enhancements.

## ACHIEVEMENTS

- Attained 15+ badges on Leetcode, highlighting strong proficiency in algorithmic and coding skills, coupled with a commitment to continuous learning.
- Led the seamless organization of 10+ school events, resulting in a significant boost in community engagement and increased parent participation.

## ACTIVITIES

- Led the school's cultural fest as the captivating anchor, connecting with a diverse audience through stage presence.
- Led the planning and execution of over 10 departmental events in college demonstrating organizational skills.
