EDUCATION

Bachelor of Technology, Computer Science

Graduating 09/2020 - 06/2024

Rajiv Gandhi Proudtyogiki Vishwavidyalaya, Bhopal

8.28 CGPA

Acropolis Institute of Technology Research, Indore

Relevant coursework: Data Structures and Algorithms

TECHNICAL SKILLS

Tech Stack: C++, React, Restful Api, Json, JavaScript, OOPs, DBMS and WordPress.

Design and Modeling Tools: Git, GitHub, Visual Studio Code

Programming: C++, JavaScript

Certifications: CISCO AICTE Virtual Internship Program [2023], Certified in Salesforce Administrator [2023] and EDX Certified Introduction to Web Development WithHTML, CSS and JS [2023]

PROFESSIONAL EXPERIENCE

QUALITY WEBS LLC, ONSITE: WEB DEVELOPER

06/2024 - 10/2024

- I completed internship as a web developer, where I am actively involved in live projects using react and WordPress. My responsibilities include designing and developing user-friendly websites, customizing themes, and implementing various plugins to enhance functionality.

ACADEMIC PROJECTS

Bookenza Application

08/2023 - 12/2023

Collaborated in a team of four to design model Bookenza application

- Bookenza: Developed a dynamic MERN stack web application that facilitated buying, selling, and renting of academic materials
- The project utilized Mongoose for efficient database management, Node.js for robust server-side scripting, and RESTful APIs to ensure smooth communication between client and server. Bookenza is designed to cater to the academic community's needs with a user-friendly and scalable approach.

Sentiment Analysis

02/2023 - 06/2023

Led a team in designing and developing a sentiment model for enhanced analysis.

- Conducted sentiment analysis on large-scale text data using natural language processing techniques; accurately classified sentiment as positive, negative, or neutral with an 85% accuracy rate
- Led the overhaul of interface design, playing a pivotal role in elevating user experience; implemented strategic design enhancements.

ACHIEVEMENTS

- Attained 15+ badges on Leetcode, highlighting strong proficiency in algorithmic and coding skills, coupled with a commitment to continuous learning.
- Led the seamless organization of 10+ school events, resulting in a significant boost in community engagement and increased parent participation.

ACTIVITIES

- Led the school's cultural fest as the captivating anchor, connecting with a diverse audience through stage presence.
- Led the planning and execution of over 10 departmental events in college demonstrating organizational skills.
